

Serie Cover

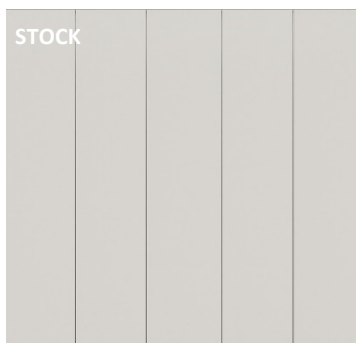

Diseños creados en dos tamaños de ancho, 214 mm y 325 mm con colores que van más allá de lo que la madera pueda ofrecer, ampliando aún más, si cabe, las posibilidades decorativas que ofrecen nuestros revestimientos de pared con entrecalle a 2 lados.

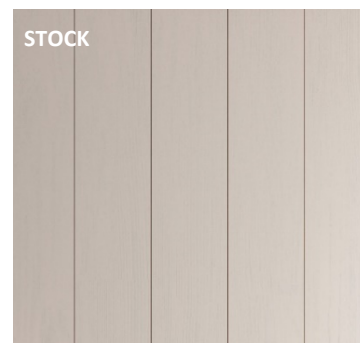

Tablero hidrófugo ≤ 12%.

TECHOS

Tablero Hidroresistente

En los techos no todo tiene por qué ser siempre escayola o pintura.

Imagine los recursos que se abren recubriendo un techo con cualquiera de los diseños FAUSDECOR.
