## Explora la Creatividad

---

Revestimiento Vinílico se puede aplicar a una variedad de materiales de superficie, lo que permite una creatividad infinita. Con la incorporación de los nuevos estampados Ante y Madera Natural que incorporan las últimas tendencias, ya están disponibles más de 1.000 diseños diferentes. La nueva Serie Matte utiliza la última tecnología disponible, incluyendo Color Sólido, con colores profundos y ricos, Madera Seca, con la apariencia de la madera natural, y Textura Industrial, con una sensación industrial y orgánica. La diversa selección de diseños exclusivos adicionales maximiza las posibilidades de diseño de interiores e incluye Oxidized Metal, que simula un revestimiento anodizado, y Textile, con una delicada textura tejida. Experimente una mayor libertad de diseño con los mejores acabados arquitectónicos del momento.

## Explore the Creativity

---

Vinyl siding can be applied to a variety of surface materials, allowing for infinite creativity. With the addition of new Suede and Dry Wood prints incorporating the latest trends, over 1,000 different designs are now available. The new Matte series uses the latest technology available, including Solid Color, with deep and intense colours, Dry Wood, with the look of natural wood, and Industrial Texture, with an industrial and organic feel. The diverse selection of additional exclusive patterns maximizes interior design possibilities and includes Oxidized Metal, which simulates an anodized coating, and Textile, with a delicate woven texture. Experience greater design freedom with architectural finishes

Hoteles, comercios, hospitales, oficinas, exposiciones y otros proyectos de decoración y reformas.

Hotels, shops, hospitals, offices, exhibitions and other decoration and renovation projects.

Proyectos de renovación y renovación para fachadas, barcos, aviones, casas móviles, trenes, etc.

Renovation projects and renovation for buildings, boats, planes, houses mobiles, trains, etc.

Muebles de cocina, puertas, muebles, paredes, armarios, baños y otros proyectos de decoración y renovación.

Kitchen cabinets, doors, furniture, walls, cabinets, bathrooms and other decoration and renovation projects.

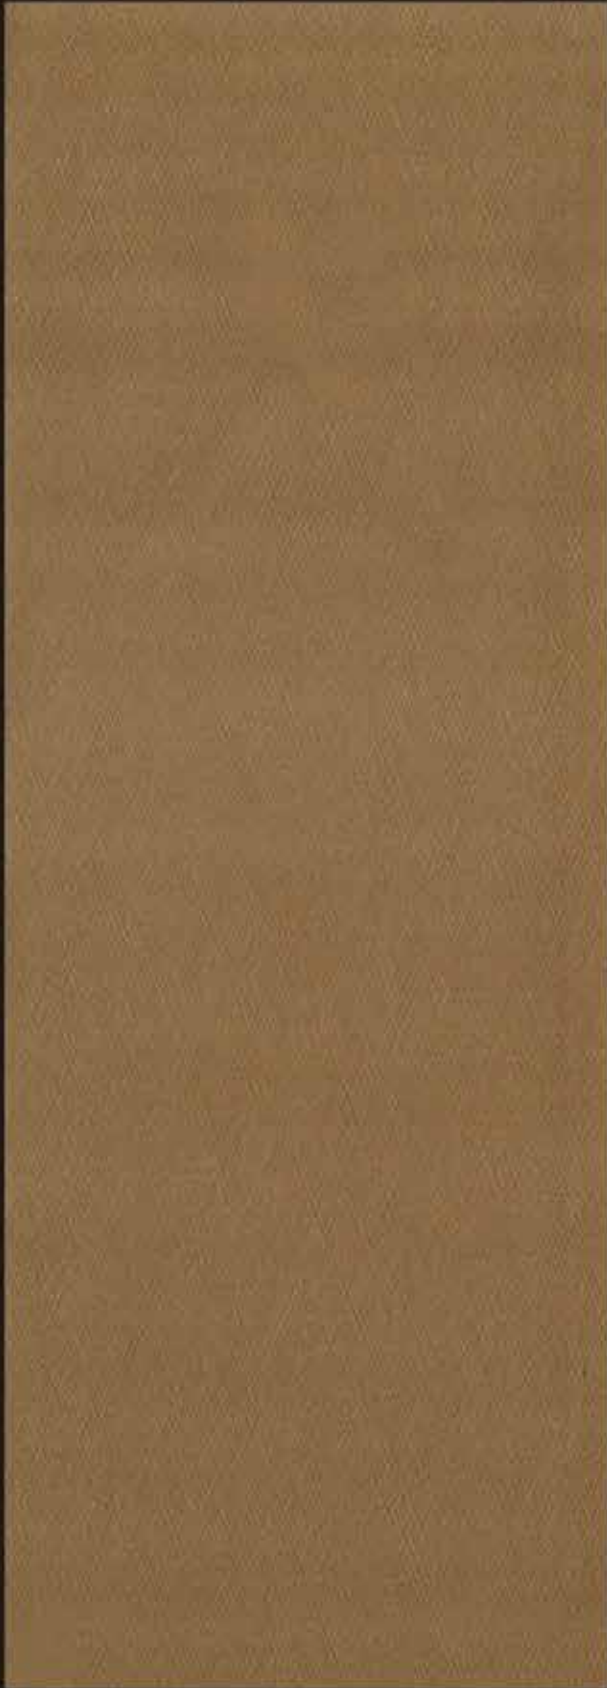

## Aplicación / Application

Revestimiento Vinílico aporta nuevas soluciones para reducir significativamente los tiempos de ejecución y costes así como el mantenimiento futuro tanto en obra nueva, rehabilitaciones como pequeñas reformas, aportando revestimientos innovadores de fácil aplicación e inoocuos para interior y exterior. Aprovechando los elementos efimeros y estructurales existentes como: paredes, azulejos, muebles, puertas, etc, revistiéndolos con materiales ligeros de para darles una segunda vida con las tendencias más actuales.

Revestimiento Vinílico provides new solutions to significantly reduce the times of execution and costs as well as future maintenance both in new construction, rehabilitations as small reforms, providing innovative coatings that are easy to apply and innocuous for inside and outside. Taking advantage of existing ephemeral and structural elements such as: walls, tiles, furniture, doors, etc, covering them with light materials to give them a second life with the latest trends.

## Textura acero cepillado / Brushed steel texture

La sombra natural se perfila a partir de la textura detallada y se superpone con el espacio, y la luz dejará temperatura y rastros dentro del espacio.

The natural shadow is outlined from the detailed texture and overlapped with the space, and the light will leave temperature and traces inside the space

## Texturas Soft / Soft texture

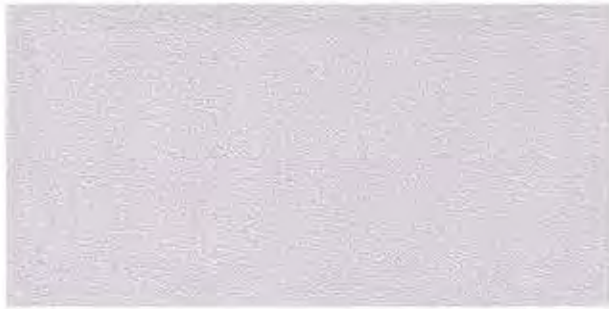

---

La primera impresión del estilo minimalista es simple y pura, fría y silenciosa, e incluso con una gran belleza fría que no se altera con acciones humanas.

The first impression of the minimalist style is simple and pure, cold and quiet, and even with a large cold beauty that is not altered by human actions.

## Texturas Soft / Soft texture

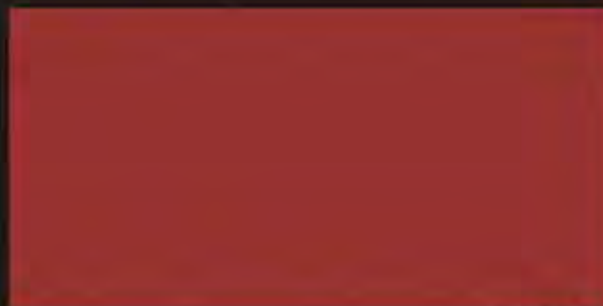

Estilo simple y moderno.

La verdadera simplicidad no es simple, lo cual es adecuado para cualquier atuendo suave.

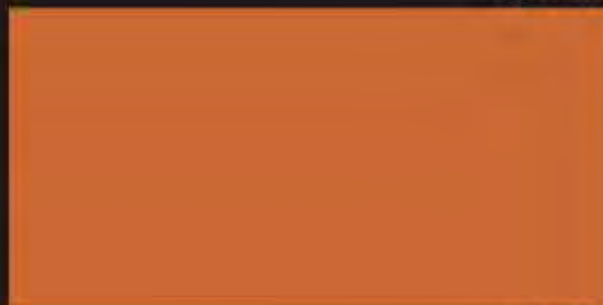

Simple and modern style.

True simplicity does not come easy, which is suitable for any smooth finish.

Dado que se emplea una especificación diferente, cuando se utilizan en superficies verticales, los productos tienen una vida útil de aproximadamente 10 años con respecto a la decoloración y la decoloración por la intemperie. (Tenga en cuenta que no está garantizado).

As a different specification is employed, when used on vertical surfaces the products have about 10 years of useful life with respect to fading and discoloration against weather. (Note that it is not guaranteed.)

Para fachadas exteriores, rotulos y perfiles de aluminio en ventanas y cerramientos.

For exterior facades, signs and aluminum profiles in windows and enclosures.

### Resistencia química

Debido a la superficie especial tratada con flúor, es posible eliminar la escritura con disolventes orgánicos como alcohol o disolvente. Las manchas difíciles de eliminar se pueden limpiar.

### Chemical resistance

Due to the special surface treated with fluorine, it is possible to remove the writing with solvents organic as alcohol or solvent. The Hard-to-remove stains can be cleaned.

Para el interior de instalaciones públicas, zonas húmedas, etc.

For the interior of public facilities, wet areas, etc.
